NIAGARA

ONTARIO

AWANDA

OUR COMMUNITY

THE story of the Black Rock--Riverside section of Buffalo is one of the most romantic in the annals of western New York.

From the wilderness of Revolutionary days, Black Rock has passed through many periods of historic evolution---from the days of its strategic commercial position at the opening of the Erie Canal in 1825 up to the present time when it exercises a dominant influence in the life of the Niagara Frontier.

What a panorama of history was unfolded within its boundaries!

The first recorded event concerning Black Rock was the rigging of LaSalle's sturdy ship, "The Griffon" on Squaw Island in May 1679.

In 1803-1804 the Holland Land Company surveyed this area and the town that arose nearby was named Black Rock---after the irregular triangular rock jutting out into the Niagara River, from which point the old Black Rock Ferry plied to and from the Canadian shore.

The War of 1812 left its mark on Black Rock which offered excellent locations for fortifications and barracks. During the entire war Black Rock served as a Navy Yard for the American Great Lakes Fleet. Finally, on August 12, 1814, at the bridge crossing Scajaguada at Niagara Street, Major Lodowick Morgan of the First U. S. Rifles, repulsed the British in memorable encounter.

In the 1830's, the Buffalo and Niagara Falls Railroad, built through the very streets of the community, brought it many advantages, but because the Erie Canal had stimulated the progress of Buffalo beyond its fondest dreams the supremacy of Black Rock was doomed. Buffalo, emerging victorious in this struggle for commercial supremacy, included the prosperous community of Black Rock within its city limits on March 21, 1853.

Since Civil War days the Black Rock section has reflected the progress of the whole Niagara Frontier. Waves of immigration to the New World left their imprint upon the locality with the steady march of German, Polish, Hungarian, Swedish and Irish racial groups which formed colonies within the area. These people brought with them their old world customs which had a profound influence upon the social, cultural and religious foundations of the future.

With the advent of the twentieth century, the Black Rock area was swept into the tidal wave of industry. Nearness of transportation, power and labor supply resulted in a booming, commercial prosperity which, in turn caused the emergence of the brand new community of Riverside. World War I was an energizing factor in the development of this new section where thousand of homes mushroomed almost overnight. A new and composite citizenry has adapted itself to the American way of life, anxious to offer its children educational advantages denied to themselves in the Old World.

With the opening of Riverside High School in 1930 the dream of all racial groups sprang into reality, for education had become the criterion of progress in the New World. Riverside High School is truly "The United Nations" in miniature, where diverse racial backgrounds and interests are sublimated in the pursuit of a new American ideal.

During the period of World War II, the Riverside-Black Rock area was in reality an "arsenal of Democracy." From its four corners poured an unending supply of machines and manpower to terminate the struggle. Many of its finest youths perished in this fight for a better world----for the right to preserve and strengthen those very ramparts of freedom which their forefathers had labored to attain.

The Future? The Black Rock-Riverside area rises to its challenge with the same labor, patience, good-neighborliness and zeal which have distinguished its progress in the past.

Riverside High School

DEDICATION

*T*HE theme of this year's "Skipper" is indicative of the group we wish to honor. The graduation class of 1949 dedicates this year book to an active and beneficial organization of this community, the Riverside High School and Community Association.

We wish to thank the many parents and civic-minded people of this group for their visible support and for their assistance in establishing a closer relationship between community and parents, on the one side, and school and faculty, on the other.

During the five years since this organization was formed, the school has been the recipient of several fine gifts such as a Glockenspiel, a beautiful picture, books for the library, and a \$100 bond to last year's Senior Class.

We hope, in a small measure, to express our gratefulness and appreciation to the Riverside High School and Community Association by dedicating this 1949 issue of the "Skipper" to them.

TO THE GRADUATING CLASS OF 1949

WHEN we realize how quickly time passes, we become aware how important it is to use every minute before it is gone forever. Since Riverside High School first opened, nineteen years have already slipped by. During that time 4061 young men and women have been graduated from this school and taken their places in the life of this community or elsewhere in the world. Your Class will add over 200 more names to this roll. How have you used your time during the four years you have been here? How will you now apply what you have learned, to the future?

Consider what Henry Van Dyke has said, "The true success of student life does not lie in the attainment of scholarship alone, but in the unfolding of an intelligent, upright, fearless, reverent, kind, and happy manhood (or womanhood), ready and glad to do service in the world." As you leave Riverside to obtain employment or to further your education, think of your future living and learning in terms of doing "service in the world." Mere fame may be a barren thing, but the man or woman who is of service to others leads a happy and fruitful life.

As citizens, not only of your community, nor of America alone, but of the world, there are new responsibilities to be assumed. So far you have been guided along the way by parents and teachers. Have you used your time wisely so that you can go on now, alone? We are living in a time of great and grave importance to the whole human race. What will you do to help to mold it into a human family?

"Greatly begin! though thou have time
But for a line, be that sublime."

The faculty and I wish you success and happiness for the future.

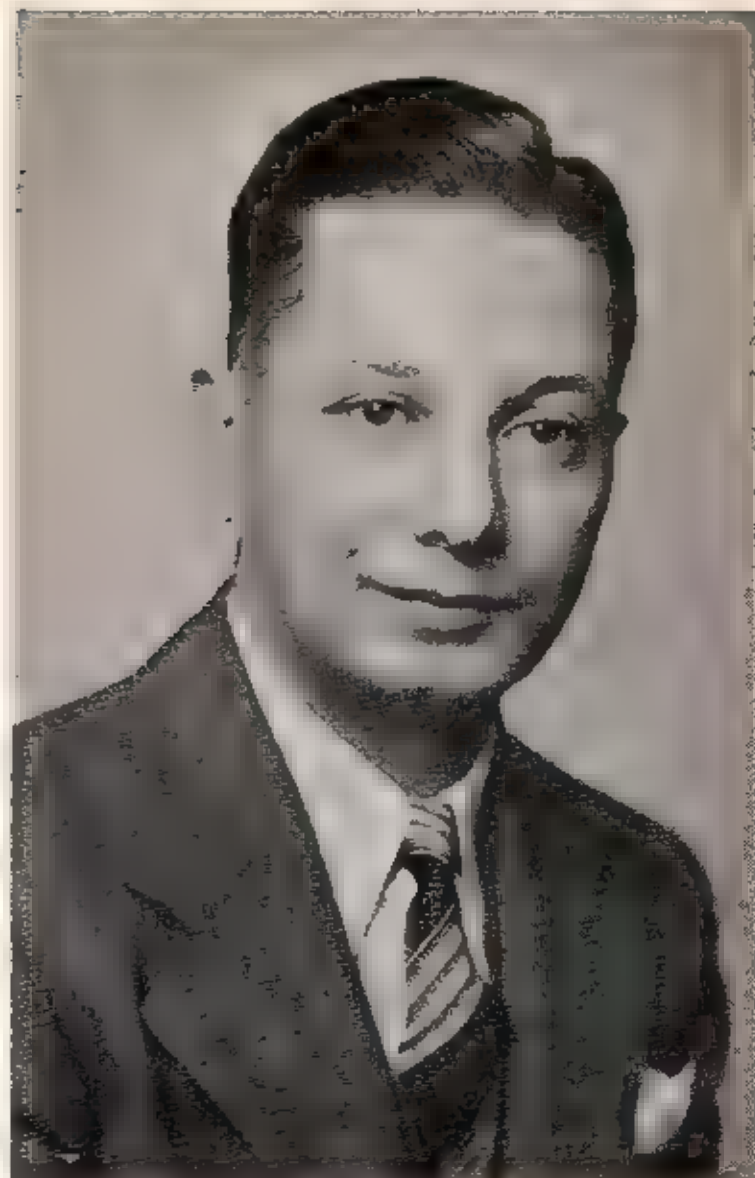

Your principal and friend,

Ray W. Spear

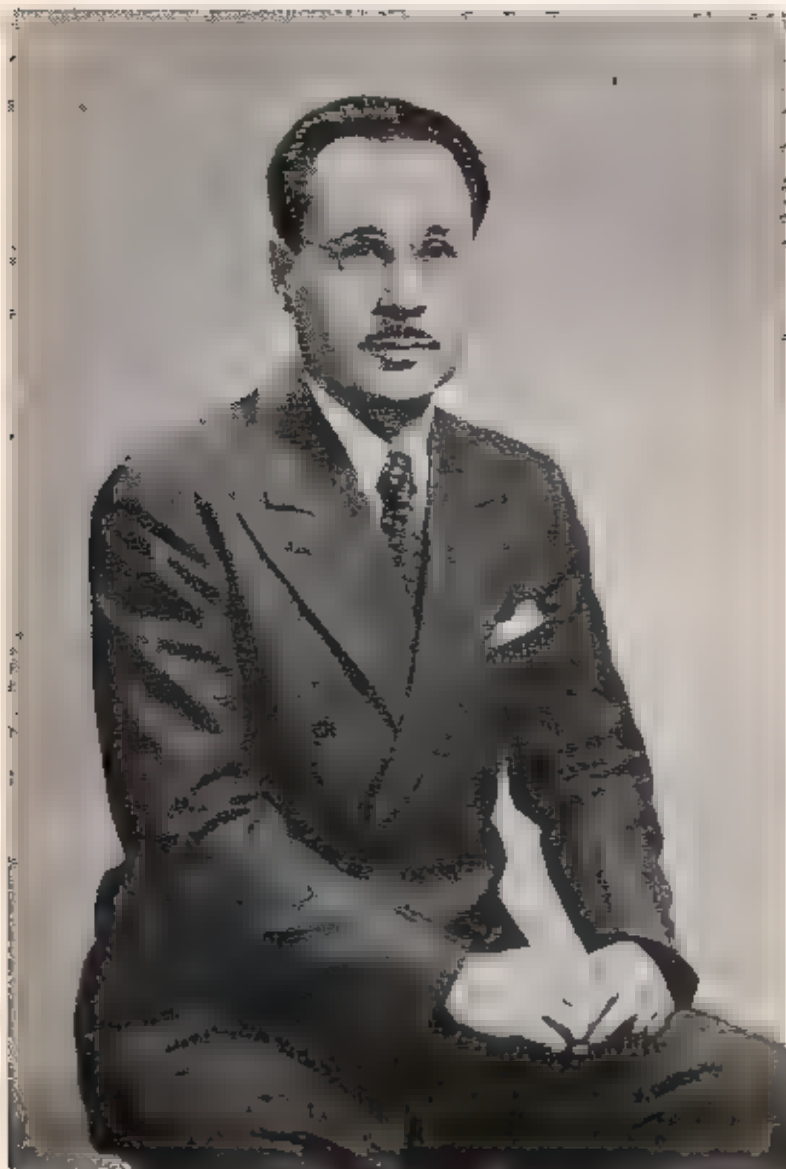

*M*R. Lloyd Miller, who this year has once more assumed the responsibilities of the assistant principalship at Riverside, will always be remembered by the Senior class for his cheerful smile and benevolent disposition.

Friend--Advisor! He has never refused aid to any who came to him. Skipper, Lighthouse, Alumni, Parent-Teachers' Organization all have received Mr. Miller's helping hand.

We leave to the future Senior classes his friendly personality and hope we may see him in the halls of Riverside for a long time to come.

LLOYD A. MILLER, Assistant Principal

*M*R. Irvin Himmele was second in command of the ship "Riverside" in the year 1948.

He came to us when he had completed his duty in the service of the United States. Mr. Himmele proved an able leader in every division. He greatly aided the students who published last year's Skipper and gave untiring effort to all student activities.

We extend our best wishes to Mr. Himmele in his position as Assistant Principal of Lafayette and hope for his happiness and prosperity in future years.

*W*E, the graduating class of 1949, so far have been leaders only in our own school. Now we are about to step into a wider sphere of activity. Each one, individually, is an integral part of his community. It is important that each of us, having made his contribution to the school, should prepare himself to make a worth-while contribution to our community.

SENIORS

CLASS OF 1949

RETROSPECT

When we came to school as freshmen in September forty-five,
We often lost our way around the halls of Riverside;
We struggled through our Algebra and General Science too,
Complaining 'bout vacations 'cause we thought they were too few.
The year went on without a pause, June rolled around before
We had a chance to practice the name of Sophomore.

With flying colors, we came back to do all that was needed,
Then, to our joy, fate took a hand and for us interceded;
It happened that despite reproof lest we should miss a day,
The teachers took a week from school to strike for better pay.
But we returned again, alas. and struggled through each test;
To reach the rack of Junior, we all did our very best.

We cheered our team at football games and basketball as well,
And when we won those baseball games, you should have heard us yell.
On Junior Day we planted a tree; now surely you'll agree,
That a Junior tree that actually lives is something new to see.
It seemed our Prom was hardly past before the year was ended,
And senior rooms of Riverside their welcome doors extended.

The job of being seniors gave us a feeling of great pride,
For now we were the very top, the leaders of Riverside;
We've tried to set examples of faith and loyalty,
And now, at last, to graduate becomes a reality.
We, the Class of Forty-Nine, do make this pledge sincere;
To revere her name and ne'er forget our Alma Mater dear.

OUR several classes at Riverside, like the larger community in which we live, are made up of a heterogeneous group of individuals. If we wish to accomplish any worth-while undertaking, we must learn to live and work together in harmony. We must learn to respect each other's ideas and to tolerate each individual as a human being, important in successful group activity.

JUNIOR GIRLS

THE Junior Girls of 1949 have taken much delight in participating in the scholastic and social activities here at school. We are proud that one of us, Petronella Panek, had the highest average in the school.

At Christmas time, the girls were glad to send a Care Package to a needy family in Germany.

For three years we have looked forward to the organization of our Junior Class. At last we have elected our officers, and all of us have enjoyed working on committees for the Junior Day Program and the Junior Prom. We have really had a wonderful year and all hope next year's Juniors will have as much fun.

SOPHOMORE GIRLS

*H*AVING passed the bewildering Freshmen year and become well acquainted with Riverside, the one hundred ninety Sophomore girls started out in the autumn, eager to participate in various activities. Lois Wright, acting as cheer leader, prepared us for the victorious football season. One of the four Sophomore volleyball teams captured the class championship, beating the Freshmen, Sophomores and Juniors until they bowed to the Seniors in the Purple and Gold Game. Approximately fifty girls participated in other sports during the year to earn their letters. Twenty-seven girls lived up to their title as "The Wise Fools" by being on the Honor Roll. Many girls also sang in the chorus and played in the band and orchestra. As we conclude another year at Riverside, we look back to all the memories of this year which we shall forever cherish.

FRESHMAN GIRLS

ROOM 329 is the Freshman girls' homeroom, under the supervision of Miss Elliott. It has two annex rooms, 331 and 341.

These rooms led the entire school in the sale of tickets for the night football game which took place in Civic Stadium, November 27, 1948. The Freshman girls walked off with contest-honors, the prize being a beautiful picture. Room 329 also went over the top in Activity ticket sales, selling over 100%.

With this for a start, the girls in the class of 1952 look forward to many happy and successful days at Riverside.

FRESHMAN BOYS

*A*S Freshmen we entered Riverside, looking forward to the years we will spend here. Many of the boys in Room 279 immediately took part in athletic activities. The intramural football league was led by William Schaffer's team. The intramural cross country race was won by Evan McDonald. Edward Morrison made a clean sweep of the swimming meet; winning the back stroke, breast stroke and free style. We also had an intramural basketball league which finished with Fredrick Czeriejewski's team in first. All of the boys who participated in any Freshman athletic activity received awards.

*M*ANY concepts, valuable to successful and happy group living, are acquired from our school activities. We plan and work together democratically. We gain experience in leadership. We gain social poise and learn to utilize our leisure time. Thus our school activities become a proving ground for our future participation in the social life of our community.

GIRLS' COUNCIL

*T*HE Girls' Small Council has completed its 10th year of student government, under the competent supervision of Miss Snell, our friend and advisor.

At the advent of another year we introduced ourselves to the student body at our assembly program in October. Each member explained her duties and responsibilities and asked for continued cooperation.

During the few months of 1948 we have been successful in selling pencils, football pins, beanies and many other articles. With the money we gained a Valentine party for the Large Council.

Many of our activities included outside interests. The council members attended a tour of the Good Will Industries early in the year. In January a reunion dinner was held at Leonardo's Restaurant for the members of last year's Council.

We should like to express our gratitude to the faculty and to the student body for assisting us in carrying out our duties. We sincerely hope that our efforts have made Riverside's government a stronger and more efficient one.

BOYS' COUNCIL

*T*HE Boys' Inner Council, under the capable guidance of Mr. Arthur Downes, successfully instituted democratic principles within the student body of Riverside High School.

The ninth year of its existence began with a boys' assembly, at which the members of the Council were introduced and their duties explained.

The most successful venture this year was the sale of school pencils with the year's basketball schedule printed on them.

It is hoped that future Councils will endeavor to carry on those objectives for which the organization was founded.

STATION R. H. S. has perhaps the smallest broadcasting time of any station, but its daily newscasts are most important to the students of Riverside. This is one of the most essential operations in the school since it saves precious time in the announcement of school activities. Everything from club news to radio skits are heard over our Station R. H. S.

Announcers on the staff were selected by elimination in the fall of the year. They are: Jack Barnes, Jeanne Cameron, Florence Fichtl, Dorothy Garstka, Bruce Gilbert, Carol Graap, Helen Speers, and Albert Tesluk, and Alberta Delemater.

The technicians are all important in the operation of any station and so it is with our two outstanding engineers, Richard Beningo and Alan Kirch.

We have been very fortunate this past year, in obtaining the services of such an excellent director and advisor as Miss Ruth Zeh.

STAGE CREW

Row 1. Alan Thompson, Allan Lesser, Albert Morrish.
Row 2. Val Ihle, James Roessler, Richard Peck.

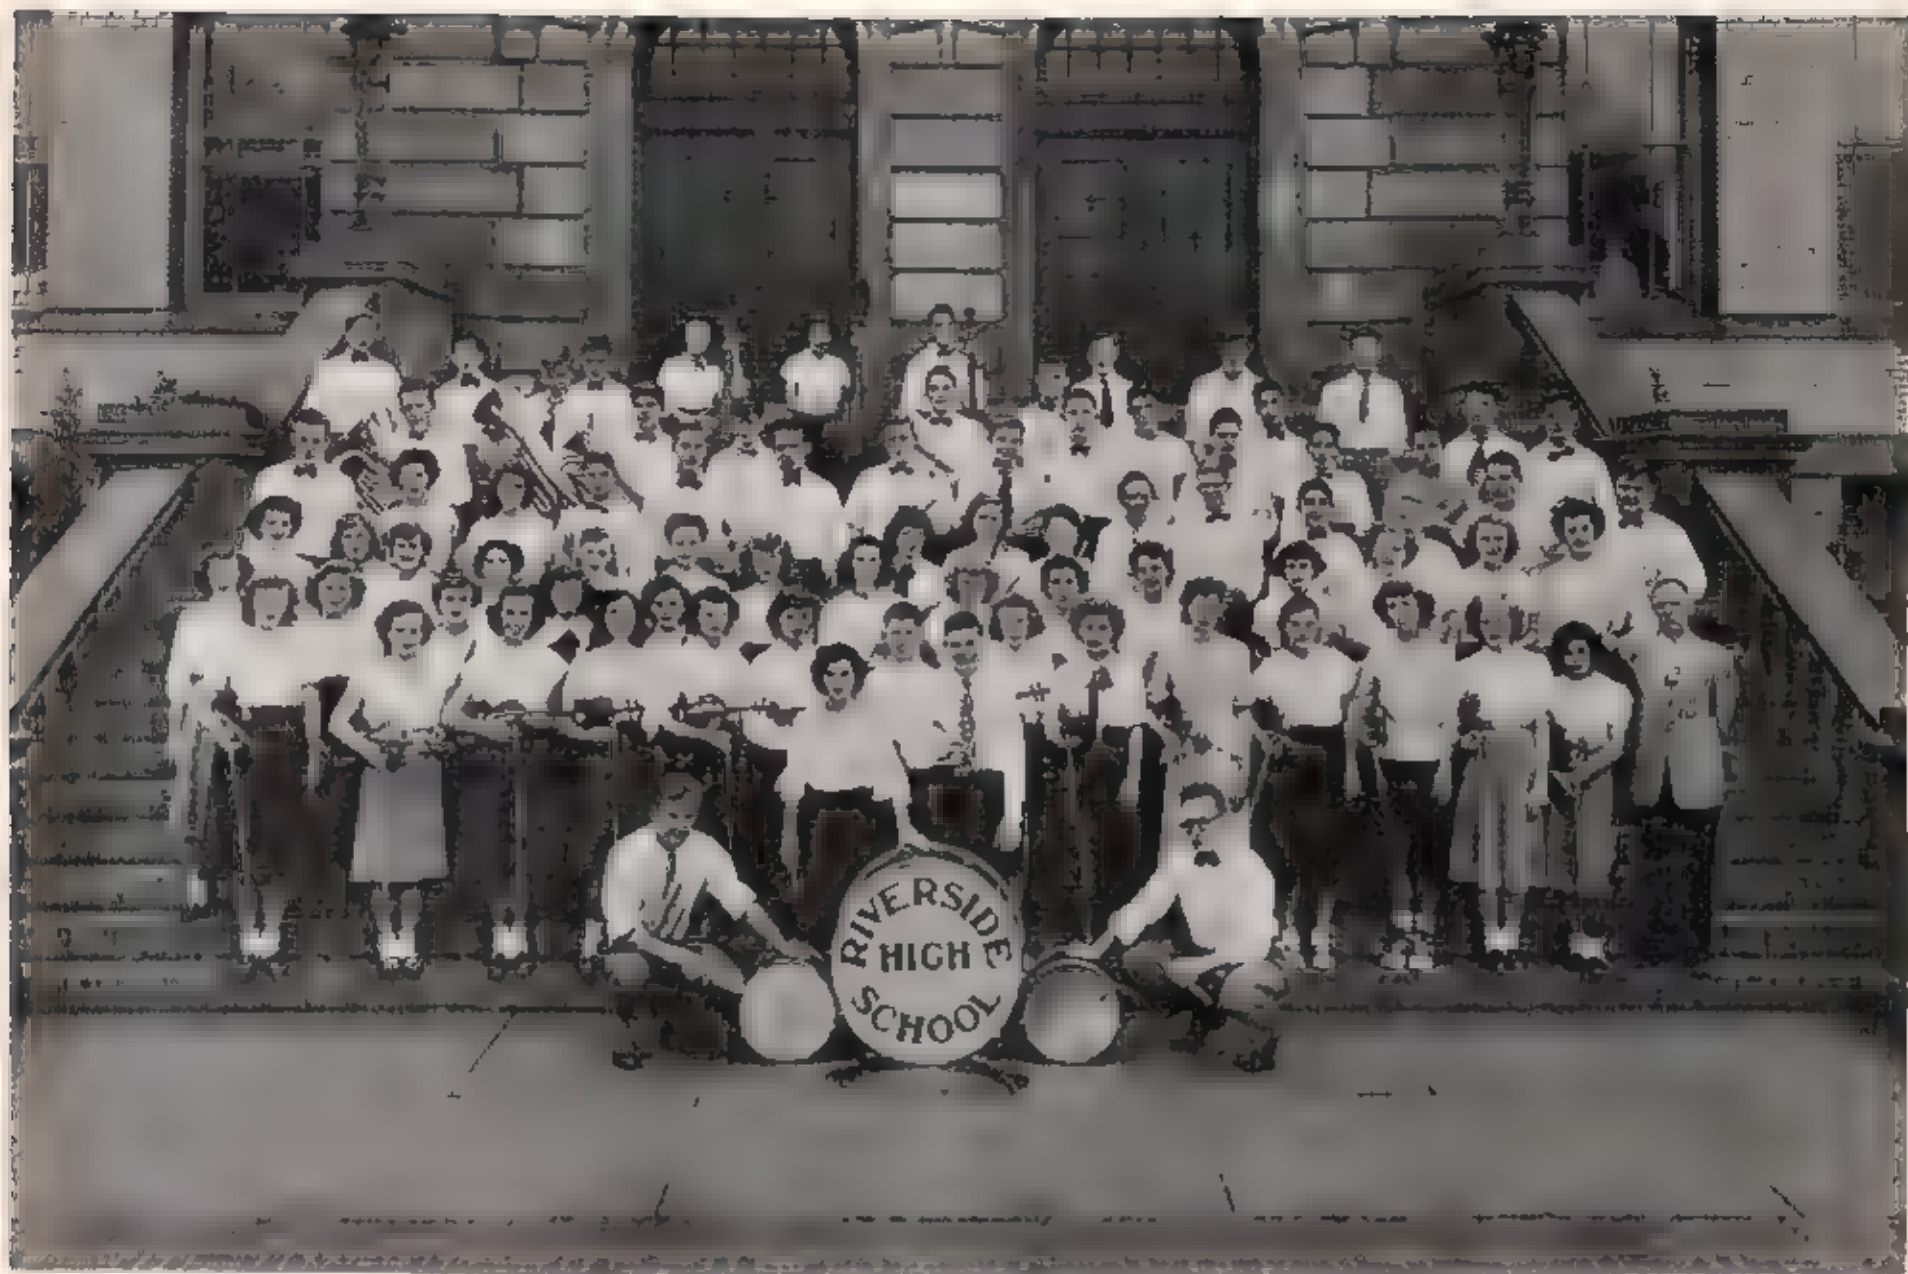

MR. Johnson supervises Riverside's small group of boys, the stage crew. Some of their duties consist of managing the equipment in the projection booth, regulating auditorium and stage lights, controlling the output of the microphones and building and arranging scenery. To them we extend our deep gratitude for their services.

LIGHTHOUSE STAFF

*A*LTHOUGH "The Lighthouse" has been a school newspaper for several years, it has formerly been the project of a small group of students.

During the months of the year which we spend in school, "The Lighthouse" keeps us informed about various events, activities, and people in whom we are interested. It is the duty of this publication to be well informed on current events in school and to pass this information on to the reader.

Our capable and hard working staff deserves credit for its efforts.

COMMERCE CLUB

*T*HIS year the Commerce Club under the efficient leadership of Evelyn Cmor has enjoyed a high degree of success. Upon the departure of Stewart Jester, our former president, to join the U. S. Navy, Evelyn assumed his duties as director of our organization.

The most successful social function of the year was the skating party which was held at the Arena Roller Rink on December 30.

According to our custom, on Senior Day, the club will present a pin to the senior in the organization who has contributed most to the club and the school.

Among our many social activities we enjoyed dances, joint meetings and hayrides. Y-TEEN

SUPERVISED by Miss Marie Edwards, and with the help of the Kenmore and Downtown Y. W. C. A., the Y-Teen Club of Riverside has had a very active and enjoyable year.

During 1948-49 this club has had "Get Acquainted Dances," Square dances, and parties with Hi-Y Groups from several vocational high schools. The interclub members have had many opportunities to meet members from other western New York schools.

In future years the Y-Teens anticipate a large enrollment, which will follow the established principles of friendship, courtesy, and unity.

*P*HYSICAL growth, as well as mental, is important in the development of a well-integrated individual. Athletics gives one the opportunity both of building a strong body and of learning a sense of fair play and sportsmanship. These qualities are important to the happy adjustment of the individual to the world in which he lives.

CHEER LEADERS

A GAIN this year, our capable cheerleaders led Riverside's student body in assembly and grandstand. From a large number of tryouts, our squad was finally reduced to Captain Joan Fischer, Co-captain Jack Rollinson and Fred Lyon. New "Spark plugs" include Pat Dwornik, Barbara Siedlecki, Marilyn Groat, Lois Wright, Wanda Kasprzyk, and James Hoppel.

With a rousing send-off at the football rally, they continued cheering our teams at every game. We all appreciate the efforts of our cheerleaders, and wish to express our thanks.

 Row 2. William Knight, Carl Ivancic, John Byrne, Steve Krall, Norman Holmskog, James Clark, Randall States, Charles Williams.

BASEBALL

RIVERSIDE'S 49'ers expect one of the greatest baseball seasons of its history. Our team is well trained and has had plenty of experience with such veterans as Earl Gildner and Steve Krall on the mound as pitchers, and catcher Norman Holmskog to complete the battery.

With such all-around ability we should look forward to capturing the Cornell Cup, awarded for baseball supremacy.

Row 1. Stanley Wawrzywiec, Randall States, George Hambruch, James Roessler, Steve Krall, Jack Byrne, Mr. Spitzer.
 Row 2. Carl Ivancic, Robert Klepser, Charles Millidge, Raymond Jones, Norman Holmskog, James Clark, Donald Zimmerman.

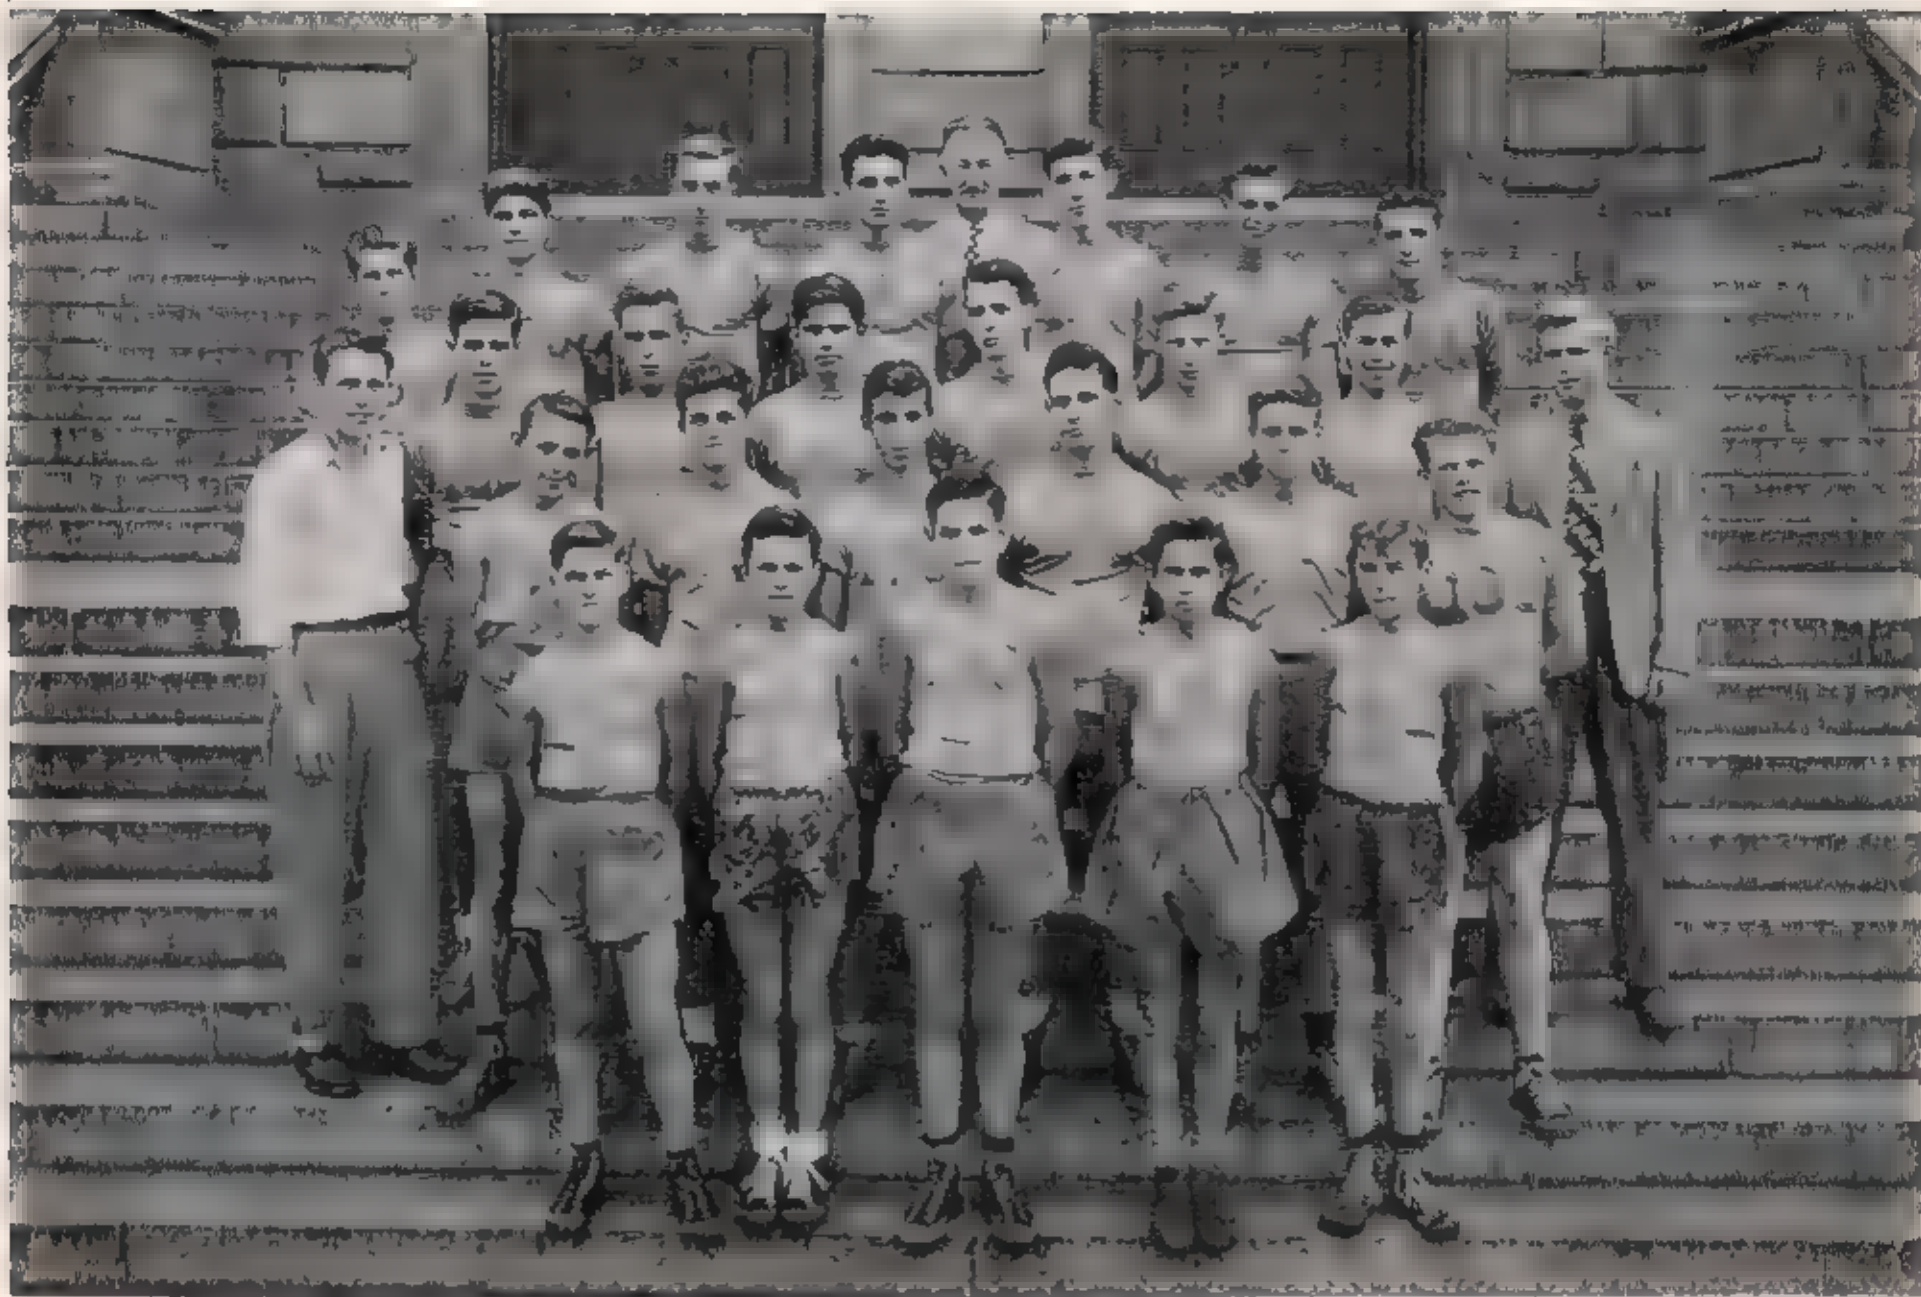

BASKETBALL

THIS year Riverside boasts a mighty quintet. After several weeks of directing practice, Coach Carl Spitzer brought forth a great combination. Its king pins are Norman Holmskog and Charles Millidge as forwards, Ray Jones, captain of the team as center, and Jim Clark and Donald Zimmerman at guard positions.

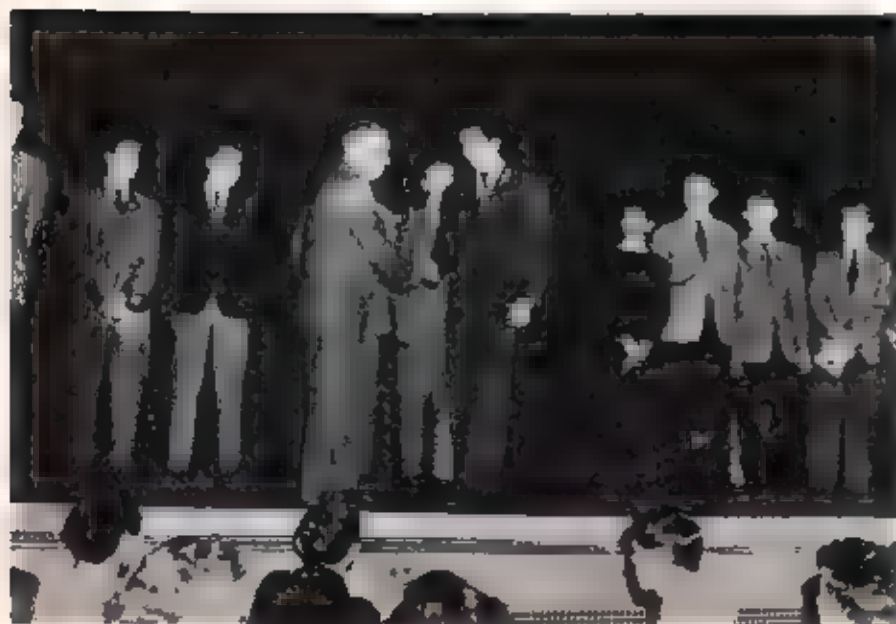

After three losses at the start of the season, the Riverside Five won a thrilling victory over Lafayette to the tune of 49 to 48. Norman Holmskog was top scorer with 22 points.

We forecast many great victories for the boys in this year's Yale Cup competition.

CROSS COUNTRY

LEAD by Coach Spitzer, our Cross Country team made a fine showing in last fall's meets. Finishing fifth in the final team standings, Riverside's star was John Rollinson. Upon finishing first in the all high meet of the academic high schools of Buffalo, John was declared cross country champion. The first five over the finish line for Riverside were: All-High Captain, John Rollinson, 1st; Robert Klepser-11th; Wayne Nolan-32nd; Warner Martin 48th; and Vincent Dowell - 59th. The boys deserve a vote of thanks for their excellent showing.

FOOTBALL

*T*HE 1949 Football season will never be forgotten. The Frontiers beat Fosdick Masten 20-0, and South Park 7-0. The following game was a 6-6 tie with Grover Cleveland. We scored a 7-0 win over Hutchinson to emerge as the champions of League I.

Thanksgiving day we opposed Kensington. We outplayed the Knights in the first half, but lack of reserve turned the tide and Ken went on to win 27-0.

Captain Wachala was selected All High Tackle, and on the second All High team, Norm Holmskog was chosen as Center and Ted Boron as Halfback. End Paul Perry and Guard Ihle were given honorable mention.

SWIMMING

THIS year we opened our season with Lafayette, followed by an engagement with our greatest rival, Kensington.

Our swimming stars are often chosen from powerful freshman teams. A few, in whom we place a great deal of confidence are: Charles Steel, whose specialty is the backstroke; John Smaldino, the 200 yard free style artist; and Lloyd Cassidy with his favorite breaststroke.

The team, coached by Mr. McColgan, and managed by Robert Roth, has performed very well this season.

Row 1. Steven Toth, Donald Silverburg, Robert Jackson.
Row 2. George Hambruch, Albert Ihle, Gary Adams, Mr. Miller.

TENNIS

EVEN with the loss of three men from last year, our tennis team through the competent coaching of Mr. Lewis Miller should have a successful season. Veterans Albert Ihle, George Hambruch, Robert Jackson are expected to be the outstanding players. Other net men who saw action last year and are expected to play a prominent part this season are Donald Silverburg, Joseph Toth, Gary Adams, Donald Nessler.

The team in previous years has had difficulty in practicing because of the inadequacy of tennis courts in the vicinity. However, the two courts that have been prepared last summer in Riverside Park will provide sufficient practice grounds this year.

Row 1. Evan McDonald, Wayne Anderegg, Clair Stevens, James Hambruch, Mr. Spitzer, James Hoppel, Wendell McCready, Warner Martin, Robert Cowan.
 Row 2. John Gutlovics, George Stephan, Robert Voss, Alin Kirsch, Jerome Kirsch, Clifford Cooke, Charles Olick, Richard Nowak, John Davies, Victor Kovachi.

TRACK

*W*ITH spring just around the corner, the prospects for the track team look good. This sport which has always been over-shadowed by the nation's favorite outdoor game, baseball, is nevertheless growing in popularity every season. Under the coaching of Mr. Spitzer, the team will again this year be in the winning class. The team has always been hampered by late springs, in getting into practice early. To combat this difficulty, the team opens practice indoors by running in the third floor corridors.

With no outstanding stars except for John Rollinson in the mile and Speedy McCready in the dash, the team boasts all around point getters. Here's hoping they have a successful year.

- Row 1. Carol Graap, Della Katolik, Dorothy Kelly, Marion Group, Wanda Racz, Florence Hills, Rose Marie Logan, Gladys Campbell.
- Row 2. Bernice Peckey, Ann Nagle, Eva Kozma, Elvira Fish, Barbara Gurba, Mary Glor, Dolores Hans, Evelyn Cmor, Estelle Bielicki, Juanita Corrigall.
- Row 3. Maxine Markowska, Jacquelyn Jones, Jean Burdick, Irene Charlap, Eleanore Ciesielska, Norma Young, Barbara Siedlecki, Shirley Kean, Mrs. Goldstein.

GOLD PIN AWARDS

*H*AVING earned a grand total of 500 points over the period of four years at Riverside, these Senior girls have attained the honor of receiving the Gold Pin Award.

These 500 points were accumulated in this order: 150 points in the Freshman year, an additional 150 points in the Sophomore year, 100 points in the Junior year and finally 100 points in the Senior year.

Participation in one major sport each year was compulsory. This sport might have been basketball, volleyball, baseball or swimming. To earn the remaining points required, these girls took part in bowling, badminton, ice skating, roller skating, or a variety of other sports.

This achievement indicates not only the reward for persistent effort but also the importance of maintaining high physical standards.

Row 1. Sylvia Deppa, Carol Ihle, Shirley Armitage, Laura Aepelbacher, Irene Tymczyszyn.
 Row 2. Ann Nagle, Maxine Markowska, Jacquelyn Jones, Barbara Gurba, Carol Davoli, Della Katolik, Mrs. Goldstein.

BASEBALL

*A*FTER taking part in after school practice sessions, the following girls were selected to compose the Purple and Gold Teams. At the close of the 1948 season, the Purple Team was the victor.

BOWLING

UNDER the expert guidance of our two physical education teachers, Mrs. Stapleton and Mrs. Goldstein, the Girls' Bowling team met every Thursday afternoon at Rung's Bowling Alleys.

All girls who participated in this sport received ten points towards their athletic letters.

While many girls already knew the rules of bowling, many others were given instructions. As a result of rugged competition many of our girls emerged top scorers. Among these are: Patricia Clark 152, Patricia Donhauser 144, J. McGaffin 138.

Row 1. Shirley Loretta, Carol Davoli, Dorothy Garstka, Joanne Manley, Mrs. O'Hern, Marie Sasola, Lois White, Doris Joyes, Mary Anne Farrell.

SWIMMING

SWIMMING activities this year began with the usual inter-class competitions. Two teams, a Purple and a Gold, were chosen to compete in a series of three meets. Each team consisted of ten carefully selected girls. At the conclusion of the swimming activities, we extend congratulations to Mrs. O'Hern, the coach, and her swimmers for a job well done.

Freshmen, Sophomores, Juniors and Seniors were assigned teams which competed throughout the season. At the end of the season, the two championship teams, one the "Purple" and the other the "Gold" were chosen. These teams played together with the Senior team finishing as class champions.

*T*HE generous support of the businessmen of our community has alleviated our task of producing this year book. Through the united efforts of faculty, students, parents, and community, we have successfully completed our project. Thus our "Skipper" stands as an example of our theme: Success is achieved through the whole-hearted co-operation of each individual with the community in which he lives.
